Camp Information

The Utah Olympic Oval Summer 2009 Figure Skating Camp is open to skaters in Basic Skills level 3 through Preliminary test levels.

Join us for a fun and exciting week of on and off-ice clinics designed to help all levels of skaters reach a higher level of personal performance through education, training, and self-discipline.

Camp Focus: Develop skaters strength and power on ice, posture, edge control, level specific skating skills, creative and artistic expression.

Skater Focus: Develop a greater appreciation and love for the art and sport of figure skating.

Groups

Skaters will be divided into groups based on skating level and age when possible, however, the total number of skaters registered will determine final groupings.

Exhibition Performances- Friday

Camp participants had a great time last year performing improvisational routines that they learned during their week with us. So we're doing it again! We may even have another guest skater perform.

There will be a question and answer time upstairs in the World Record Lounge from 3:00-4:00pm during our awards ceremony and closing party!
